Year 2
'Wake up Wednesday Live' Workshop

Dear Parents/Carers,

We are pleased to invite Year 2 families to our **'Wake Up Wednesday Live'** Workshop on **Wednesday 4th November 2026**.

The session will focus on **online safety**, including topics such as **artificial intelligence (AI)** and **gaming**, which play an increasingly significant role in many children's daily lives. The workshop will provide practical advice and guidance to help parents and carers understand the benefits and potential risks of online safety, as well as strategies to support children in staying safe and making informed choices when using technology.

We hope you will be able to join us for this informative and engaging session. We invite one parent or carer to attend the workshop alongside their child in the Infant Hall. **Please note we would advise that younger siblings should not attend, as the session will include discussion of sensitive online safety issues and themes intended for an adult audience.**

If you're unable to attend as a parent or carer, please don't hesitate to ask a trusted family member—such as a grandparent—to accompany your child instead.

The session will start with a short presentation followed by the children joining you for around 10 minutes to engage in a poster-making activity.

Here are the times for the workshops on **Wednesday 4th November 2026**:

9.00am-9.45am	2.15pm-3.00pm
Otter Class	Fox Class
Hedgehog Class	Squirrel Class

Please enter the school via the Poynings Avenue entrance and make your way to the Infant Hall.

We hope you are able to join us for this important discussion and support your child.

Yours sincerely,

Miss Iruskieta
