

Dear Parents/ Carers,

Today your child will bring home a 'My Set 1 Speed Sounds Book.'

Please use this book to practise reading and writing sounds at home. There are instructions for parents on the inside cover of the book. Helping your child to read these sounds fluently will help them to blend sounds together and learn to read words.

This book can stay at home, there is no expectation for you to bring this book back into class.

Below is a link to a sound pronunciation guide to help you and your child pronounce the sound correctly.
