## Nite Owls Visit

Dear Parents/Carers,

We are very pleased to be able to have the Nite Owls visiting our Year 2 classes to support our theme 'Wonderland' and the learning children have been doing on habitats.

On **Monday 12<sup>th</sup> October 2026** the Nite Owls team will be coming along to visit our Year 2 classes. Nite Owls is a birds of prey demonstration team and they will be holding a talk and giving a flying display session for the children to take part in and observe. Nite Owls have provided us with their risk assessment and they will adhere to our own enhanced procedures during the time they are with us.

Nite Owls are making no charge for their visit to the school but instead the children will be given the wonderful opportunity to have their photograph taken holding the beautiful Barn Owl, Dottie, which will be a lovely souvenir of what we hope to be a great experience for the children.

You will be given the chance to buy these photographs if you wish. Nite Owls have tried to make the photographs as reasonably priced as possible, starting at £10 for a 7x5 with mount. Enlargements are available to order.

Proofs of the photos will be sent to school in the week following the visit and will be sent home with order forms. **Please do not send money into school before you have received the order form.** Each photograph Nite Owls sell helps them to continue visiting schools and offering this wonderful and sometimes, once in a lifetime opportunity, for our children.

We hope all children will participate in this event but should your child have an allergy you think may be exacerbated by contact with Dottie the Barn Owl please let your child's class teacher know or by emailing the school office.

Yours sincerely,

Mrs Vicki Tracy  
Vice Principal
