

Comic Relief

Friday 15th March 2024

This year we are keeping things simple for Comic Relief

We are having a non-uniform day where we are wearing something that is red

So have a rummage at home and see what you can find!

No red noses to school please.

This year we are making our donations using ParentPay to help us support this charity.

The children can also bring in a joke of their choice to share with the class
(No dad jokes please!)
