## MINI FIRST AID WORKSHOPS

Dear Parents and Carers,

We are pleased to welcome back Frankie from **Mini First Aid** who will be leading 'First Aid with Freddie' workshops with the year 2 children. The mini first aid workshops will take place on **Tuesday 19<sup>th</sup> May**.

The workshops are informative, practical and deliver vital first aid training pitched at an appropriate level for our young children. The sessions also support our PSHE curriculum when learning about our health and well-being and keeping safe. Please see the attached letter for more information about the practical session.

However, these sessions come at a cost and are put into place to **enhance our enrichment curriculum offer**, the workshops cannot take place without your contributions. The year 2 events letter highlighted that we have broken the cost of the workshop down to **£3 per child**. If you haven't already and in order to support this event going ahead **please pay your contribution via your Arbor account if you have not done so already**.

We know the children will enjoy and benefit from these practical workshops having seen them be a huge success in the past.

Thank you for your continued support.

Mrs Vicki Tracy  
Vice Principal
