Harvest Celebration 2025

Over the next week will be thinking about Harvest Festival, why Christians celebrate it and what it means. We will celebrate the different foods that we eat and where the food comes from and grows before it gets to the supermarket.

As a school we will be pulling together as a school community to collect food donations for the charity **HARP** as well as the local Food Bank.

We hope you will allow your child to bring a contribution from home for our annual Harvest appeal. An example of some food items is provided alongside this letter. Please could your child bring their food donations to their classroom **by Wednesday 1st October.**

We are pleased to be able to welcome back Reverend Goodliff from Bellevue Baptist Church to a special Harvest assembly in which the KS1 children will take part in a simple celebration on Friday 3rd October. We will have a display of the food donations to support our thanks for the food we have and are able to give to others.

We would like to thank you in advance for your support.

Kind regards,

Mrs Vicki Tracy
Vice Principal
