

## YEAR 1 EVENTS SPRING TERM 2024

Below outlines some of the key events we have planned for Year 2 during the autumn term 2023. The grid is broken down showing dates, events and a brief description of what the event is and if there is a contribution to the cost.

We understand that you may not be able to attend all parent/carer events, but by providing this key information now, we hope it will help you plan ahead of the events you are invited to. **More information about these events will be shared with you nearer the time.**

To support some of these events and enrichment opportunities to go ahead this term we are asking for a contribution of **£5 for the term Wednesday 31<sup>st</sup> January, 2024**. This can be paid via [www.parentpay.com/](http://www.parentpay.com/).

Thank you for your continued support.
