Year 2 Wake up Wednesday Live Workshop

Dear Parents/Carers,

This year we will be holding our first-ever **Wake up Wednesday Live Workshop** for Year 2 classes on **Wednesday 5th November 2025**. The session will focus on **the safe use of Artificial Intelligence (AI)** and **online gaming**, two areas that are increasingly relevant to children's online experiences today. This workshop will provide practical advice and guidance on how to help your child stay safe and make informed choices when engaging with technology.

We are inviting **one** parent/carer to join their child for the workshop **in the main Infant Hall**. If you're unable to attend as a parent or carer, please don't hesitate to ask a trusted family member - such as a grandparent - to accompany your child instead.

The session will start with a short presentation on **AI** and **online gaming**, followed by the children joining you for around 25 minutes to engage in a poster-making activity.

Here are the times for the workshops on **Wednesday 5th November 2025**:

9.00-9.45		2.30-3.15	
Offer Class	Hedgehog Class	Fox Class	Squirrel Class

Please enter the school via the Poynings Avenue entrance and make your way to the Infant Hall. Please make every effort to arrive in time as late entry through the office may not be possible.

We hope you are able to join us for this important discussion and support your child.

Yours sincerely,

Miss Iruskieta
