

Friday 4th September 2026

Dear Parents and Carers,

Welcome back Year 2!

A very warm welcome to the start of a new school year at Hamstel Infant School and Nursery. I hope you have all enjoyed a relaxing and enjoyable summer, and that the children are feeling happy and ready to begin another exciting year with us.

There has been lots happening behind the scenes over the summer. Our staff and dedicated site team, Mr Palmer, Mrs Nixon and Mr Roddis, have worked incredibly hard to prepare the school, classrooms and grounds so that everything is ready for the children's return. Our swimming pool renovations are also taking shape and we are on schedule for re-opening in the new year.

We were really excited to seeing Year 1 and Year 2 walk back through the school gates on Wednesday morning, and we look forward to welcoming our new Reception and Nursery children next week, when we will be back to full capacity.

The whole team are excited to welcome the children back, meet those who are joining us for the first time, and get to know our new families. We have lots of exciting learning experiences planned for the term ahead, and we are looking forward to sharing these with the children.

At Hamstel Infants, we place great importance on building positive relationships with our families and ensuring that communication between home and school is as strong as possible. One way we can support this is by giving you as much advance notice as we can about events and opportunities to be involved in school life.

With this in mind, we have included a number of important dates for your diaries, along with opportunities for you to come into school and take part in your child's learning. Events that parents and carers are invited to attend are highlighted in bold in the tables on the following pages. Further information will be shared closer to each event, but we would encourage you to make a note of these dates and times now. Your involvement makes a real difference to your children and is greatly valued by us.

You will also find the PE and outdoor learning timetables included. Please remember to check your child's classroom window regularly, as this is where we will display important messages and any updates or changes to arrangements.

If you have a question, concern or difficulty relating to any aspect of school life, please do come and speak to your child's class teacher or contact the school office at **office@his.porticoacademytrust.co.uk**. We are always happy to listen and help wherever we can. We strongly encourage families to speak directly with us rather than raising concerns through social media groups or conversations with other parents. In our experience, open and direct communication allows us to understand concerns properly and work together to find a positive solution.

Most importantly, we want every child to enjoy coming to school each day. We hope that throughout the year our children will feel happy, valued, confident and safe as members of the Hamstel Infant School and Nursery community.

We look forward to a wonderful year ahead and to working closely with you and your children.

Best regards,

Mr. S. Roche

Principal
