

Year 1

Home Challenge!

Our theme this half term is **'Let's Explore the UK'**. Our theme is based on learning the countries and capital cities of the UK. We will learn about some of the important landmarks and features around the UK. The children will also be exploring the text *The Queen's Hat* by Steve Anthony. We would love for you to get involved. Please have a look at our ideas or you may come up with your own.

- Use and explore Google Maps (safely with and adult) to have a look at where at one of the UK cities e.g. London, Edinburgh. What famous landmarks can you spot?
- Make a model of a famous landmark e.g. Big Ben, London Eye, Edinburgh Castle
- Design or make a new hat for the Queen
- Visit the local park, what plants and trees can you spot? Take some photos of them and upload them to your ClassDojo Platform.
- Visit the library to find some books about our theme

DON'T FORGET!

Please bring in any lovely work you do at home and share with your class or put it up on your ClassDojo Platform 😊
