

Friday 4th September 2026

Dear Parents and Carers,

As part of our **'Out and About'** theme this half term, we would like to let you know that the children will be taking part in a local area walk to support their geography learning.

The purpose of this walk is to identify human and physical features and to spot different types of homes and buildings within our local community.

The children will also develop an understanding of a route, which they will use to support some simple map work back in the classroom.

The walk will be approximately 45 minutes long, and the children will be provided with high-visibility vests to wear while they are out. The children will go on their walk on the following dates and times:

Class	Date	Time
Heron	Monday 14 th September	9.15am -10.00am
Newt	Monday 14 th September	10.15am -11.00am
Dragonfly	Tuesday 15 th September	9.15am -10.00am
Duck	Tuesday 15 th September	10.15am - 11.00am

Please ensure that your child wears suitable shoes for walking and brings a coat if needed.

We are looking forward to giving the children this opportunity to explore their local area and apply their learning in a real-life context.

If you have any questions about the walk, please do not hesitate to speak to your child's class teacher.

Thank you for your continued support.

The Year 1 Team
