

School Council

I am delighted to share with you that this half term we have appointed our new School Council members. It is an important and brilliant way of the children having the opportunity to contribute to pupil voice. The children themselves run the group with the support of myself.

How did we set up our School Council?

Each class discussed what a School Council is and the roles and responsibilities that come with being a School Councilor for their class. The children decided if they wanted to put their names forward for the role that then followed up with an opportunity to vote on whom they thought would be the ideal candidate.

What happens next?

Every week the children meet to share the views and ideas of their classmates, to put forward any suggestions for teachers and SLT about the school. The children may also have opportunities to be representatives at any important events. The minutes are shared with staff, children and put on the website each week.

Our School Council Members:

Year 1		Year 2	
Dragonfly	Luna	Hedgehog	Paige
Newt	James	Otter	Lyla
Heron	Noah	Squirrel	Oscar A
Duck	Abigail	Fox	Sybil

I look forward to working with the School Council members over the upcoming weeks, I am sure they will be brilliant in their new role.

Mrs Vicki Tracy
Assistant Principal
