## Mother's Day Card & Gift Project

Dear Parents and Carers,

Following the success of our Christmas card project, we are delighted to share that the children have been busy creating their own personalised Mother's Day artwork in school. As well as being a lovely keepsake for families, this project also helps to raise valuable funds for our school, which go directly towards supporting resources and opportunities for the children.

Today your child will be bringing home their personalised School Fundraising order form, which includes all the information you need to view your child's completed Mother's Day artwork and place an order online.

Using your child's design, you can choose to order a range of personalised items, including:

- **Cards**
- **Tea towels**
- **Mugs**
- **Tote bags**
- **Magnets**

There are also wording options available, so you can choose either **"Happy Mother's Day"** or **"Glad you're in my life"**, depending on what best suits your family.

**All orders must be placed by Tuesday 24th February.**

If you have any issues with ordering, please contact the school office, who will be happy to help.

Thank you for your continued support.
