

Inter-Schools Cross Country

We were very excited on our return to school in March to be able to join in with other schools in the local borough for a Cross Country event. Each school took part on their own playing fields over two different days.

Mrs Walker is really pleased to report that the children representing Hamstel Infant School did extremely well in this competition.

Our times were sent in and compared with the other schools taking part.

The overall results were:

Reception Year	Boys – 1st	Girls – 1st
Year 1	Boys – 2nd	Girls – 2nd
Year 2	Boys – 4th	Girls – 3rd

The children that completed the four fastest times for each year group were awarded the corresponding medal.

Inter-Schools Cross Country

Well done to all the children that took part and thank you to Mrs Walker, Miss Stephens and the super coaches from Southend Schools Partnership for their support on the field and from the side-lines.

And...they're off – twice around the school field.

Super supporting from the sidelines!
