

Dear Parents/Carers,

30<sup>th</sup> November 2021

**Christmas Celebration Reception Year – ‘A December to Remember’**

Unfortunately we will be unable to hold Christmas productions in the usual way again this year, children will instead be meeting in their class groups in the school hall to film their Christmas celebrations. Filming will take place for Reception Year children on Wednesday 8<sup>th</sup> December, 2021.

**We kindly ask that children wear their Christmas jumpers, winter bobble hats and scarves on the day please.**

Our decision to share a video rather than face-to-face with you was based not only on the current circumstances but also on feedback received from parents and carers following our survey asking which format was preferred. The majority feedback was for preference of a video as this can be shared at home with family and friends at your leisure. There will be no charge for the video and we will do our very best to share the Christmas atmosphere here in school with you.

Each class will film their part which will then be edited along with the rest of the year group to bring you a wonderful Christmas creation!

**We would really love for all the children to be involved in this event, however, if you do not want your child to be filmed, please contact the school office by 4pm on Friday 3rd December, 2021.**

Parents who have previously advised us of their wish not to have their child appear in any media or publication, will receive a separate form on ParentPay today asking them to confirm if they would like them to be included in this special celebration.

We look forward to sharing Reception Year’s short film with you at the end of term.

Kind regards,  
Hamstel Infant School and Nursery
