Einstein Entertainers

Dear Parents and Carers,

We are excited to let you know that as part of our **Science Week** we have arranged a special visit from Einstein Entertainers on **Tuesday, 11th March**.

Einstein Entertainers are a fantastic team dedicated to making science fun, engaging, and interactive for young learners. Their high-energy, hands-on shows bring science to life, inspiring curiosity and excitement in children through thrilling demonstrations and experiments.

This visit is part of our enrichment opportunities for the children, giving them the chance to experience awe and wonder as they watch science live in action. They will have the opportunity to explore key scientific concepts in an exciting and memorable way, sparking their enthusiasm for learning.

To help provide this valuable experience for your child, we kindly ask for a contribution of £2 per child. Contributions can be made via ParentPay, the payment item is available now.

Thank you for your support in making this learning experience possible for the children. We are sure they will thoroughly enjoy it and gain a lot from it.

If you have any questions, please don't hesitate to contact us.

Thank you for your continued support.

Miss L Carmichael
Science Lead
