Dear Parents/Carers

## Safeguarding Update

Further to our messages sent last Thursday and again in Friday's newsletter, regarding social media posts about an individual living in the local area, we would like to provide an update.

As shared last week, all concerns and information shared with the school by parents and carers, were passed on to the police. The police have spoken to both the Junior school and myself this morning and have reassured us that there is no cause for concern.

**If any parent has a concern in the future, the police have advised that it should be reported directly to them by calling 101.**

Please be assured that safeguarding remains a key priority at our school, and we continue to work together to ensure our children remain safe.

Thank you for your ongoing support.

Best regards,

Mr. Roche

Principal
