

19th October 2026

Dear Nursery Parents and Carers,

I am writing to let you know that after half term, our Nursery Leader, Mrs Snashall, will be absent from school for a period of time while she undergoes and recovers from planned surgery.

We are pleased to reassure you that Mrs Hickey, a well-known teacher to our school, will be taking over the role during this time. Many of the children have already met Mrs Hickey, and she will be visiting again today to ensure she is familiar with our routines, expectations and curriculum.

We understand that consistency is important for our young children and have carefully planned this transition to ensure that Nursery continues to provide the high-quality care, learning opportunities and support that your child receives every day. The wider Nursery team will also remain in place, helping to maintain familiar routines and strong relationships.

We are confident that the children will be very well supported and that their learning and development will continue seamlessly while Mrs Snashall is away.

Thank you for your understanding and support. We know you will join us in wishing Mrs Snashall a successful operation and a speedy recovery.

If you have any questions, please do not hesitate to speak to Mrs Bryant, our EYFS lead, or a member of the Nursery team.

Kind regards,

Scott Roche

Principal
