

Home Learning in Reception

What will we be doing?

- **Library Book** – each week your child will visit the school library and choose a book to take home. This is a sharing book for you to enjoy reading to your child.
- **Reading Book** – every child will be sent home a RWI book bag book and RWI storybook at the end of each teaching sequence. As the children work in different groups for RWI the day the books are sent home will vary from one group to another. We strongly encourage all children to read these books to an adult at least 3 times in order to develop their fluency.
- **RWInc Speedy Sound Books** – we will send home speedy sound books which contain the sounds the children have been learning.
- **RWInc Virtual Classroom** – QR codes will be sent home for you to access the Ruth Miskin Virtual Classroom videos. These links allow access to a short teaching video for your child to watch and join in with.
- **KIRF's** – each half term a KIRF (Key Instant Recall Fact) will be sent home. These are mental maths challenges for your child to practise at home.

What would we like you to do?

- Spend 10 minutes each day listening to your child read and record it in their Home School Book.
- Talk about the book that they are reading – do they like it? Who is their favourite character and why? What do they think will happen in the end?
- Practise saying the sounds in the speedy sound book. Please see the following website for parents, including a pronunciation guide to saying the sounds correctly:
<https://www.ruthmiskin.com/en/find-out-more/parents/>
- Enjoy sharing your child's learning on tapestry and add any home learning.
- Support your child with learning to write their name.
- Watch the RWI Virtual Classroom videos with your child and encourage them to join in with the activities.
- Enjoy reading to your child on a daily basis. Storytimes are an enjoyable time and will help to develop your child's speech, vocabulary and understanding of stories.

Don't Forget!

If you have any questions about home learning, then please do not hesitate to speak to your child's class teacher.
