Hamstel's Colour Fundraising Event

Dear Parents and Carers,

We are excited to announce that our school will be **hosting our Colour fundraising event** to support the development of our school library. Our school library is an important space in the school in which all our children from Nursery to Year 2 visit and use on a weekly basis to develop their reading for pleasure and support their learning. However, the space is now in need of refurbishment and updating to ensure it remains a welcoming, engaging, and inspiring environment for all children.

As part of the project we plan to:

- Purchase a wide range of new and engaging books to further enrich our library collection.
- Purchase new furniture, improve library shelving and book displays to make books more accessible and appealing.
- Develop inviting reading areas where children can enjoy books in a comfortable and inspiring environment.
- Introduce additional resources that support reading for pleasure and a love of learning.
- Further develop themed book collections to reflect pupils' interests and support the wider curriculum.

Together, these improvements will help us further develop our library so that it continues to inspire a lifelong love of reading and supports every child on their learning journey.

Rainbow Class will have the opportunity to take part in some organised circuit activities in the hall with the adults from their class on **Tuesday 3rd November at 2.30pm**. We would love for you to come along and support your child in their activities, so please come along to the office at 2.25pm and sign in, a member of staff will then come and collect you.

Each child will receive their very own medal to celebrate their achievement. **The children should come dressed in their brightest, sportiest outfits, with comfy trainers ready for action.**

Collecting sponsor money:

Sponsorship forms are coming home today, and children are encouraged to collect sponsorship from family and friends. If you would prefer to make a direct donation instead, you can do so via the <https://gofund.me/1f9ca062a>

Any money that is collected must be handed into school in a named, sealed envelope by **Friday 13th November 2026**.

We are grateful for your continued support and look forward to a fun, colourful event that will help us make our school library an even more inviting space for reading and exploring books for our children.

Best regards,

Mrs Vicki Tracy
Vice Principal
