

## RECEPTION EVENTS

### SPRING TERM 2026

Below outlines some of the key events we have planned for Reception during the spring term 2026. The grid is broken down showing dates, events and a brief description of what the event is about. **If you haven't already made a payment for the science workshop and the chicks, they can be made via Arbor.**

We understand that you may not be able to attend all parent/carer events, but by providing this key information now, we hope it will help you plan ahead of the events you are invited to. **More information about these events will be shared with you nearer the time.**

Thank you for your continued support.

DATE	EVENT	DESCRIPTION
<b>Friday 16<sup>th</sup> January</b> 9am: Woodpecker and Peacock 2.30pm: Kingfisher and Owl <b>Parents and Carers Invited</b>	<b>Maths Workshop</b>	<b>Parents invited</b> to find out how we teach maths in reception and enjoy spending some time with your child completing math-based activities.
