Dear Parents and Carers,

We Are Artists Day 2026

On Monday 8th June, the children will be taking part in our annual **We Are Artists Day**, linked to World Ocean Day 2026.

Throughout the day, the children will take part in a range of creative activities inspired by the ocean and the importance of protecting our blue planet. Each child will create their own piece of artwork as part of a special whole-school installation that will later be displayed at our Open Evening.

As the children will be using acrylic paint and a range of art materials throughout the day, we ask that they come to school wearing **old clothes** that you do not mind getting messy or stained.

If you would like to, your child may also **bring an old oversized T-shirt or shirt** to wear over their clothes during art activities.

We are very excited for this immersive creative day and look forward to sharing the children's artwork with you later in the term.

Kind regards,

Miss Ayres
Art Lead
