Dear Parent/Carer

Reception Year will soon be taking part in the National Child Measurement Programme (NCMP) & Vision Screening Programme.

If you haven't already done so, please remember to register for a **School Health Parent Portal** account so you can read more about the programme and access your child's results following their screening. There is also a health questionnaire you can fill out with your child.

What do I need to do?

1. Click the link below, this will take you to the registration landing page
2. Register for a school health parent portal account, using just an email
3. Check your email inbox to create a password. It's important that you keep hold of your Username and password for future logins
4. Log into the portal to read further information about health programmes

(Please note, the portal does not work with internet explorer)

NCMP

Click on this link to register and read the information about the NCMP programme (NCMP) & Vision Screening. You will be given the opportunity to opt out should you wish to.
