

Monday 5<sup>th</sup> October 2020.

Dear Parents and Carers,

### Individual School Photographs

Tempest Photography will be in school on **Thursday 22<sup>nd</sup> October** to take individual photographs of the children. Photographs are taken during the school day so please ensure that your child is in full school uniform.

*Where applicable, children will be photographed before they go to their outdoor learning or PE lessons and we will be in contact with the parents/carers of those classes affected with specific information regarding what children should wear on the day.*

Tempest Photography will take an individual photograph of every child in school on this date. If you do not wish your child/ren to be photographed please email the school office by **Monday 19<sup>th</sup> October**.

As you may already expect the process will be slightly different this year due to the current Coronavirus pandemic and the enhanced guidelines. Tempest have advised us that when taking the photograph your child will be standing, to eliminate concerns regarding cross-contamination from being seated on a communal chair; they will take a classic school photo shot, there will not be a second close up crop photo and there will not be any family or sibling group photographs taken this year.

It would be very helpful if you could discuss the arrangements with your child so they feel comfortable and relaxed on the day.

There is one further change, the proof will not come home to you on the same day the photograph is taken, but will be sent to us directly from the lab. These will be sent home with your child as soon as they are received, with full details of the package prices and ordering process. Hopefully, giving plenty of time for ordering before Christmas.

Yours sincerely,

Mrs. L. Clark  
Headteacher
