

Dear Hamstel Infant School and Nursery

I hope your school re-opening has been successful and your children are all adapting to the new protocols.

We are really excited to tell you about our **Virtual Family Fun Festival** which is a fun way to support our charity in the next few weeks. We would really appreciate it if you would be able to include a link to the event in your communications with your families to encourage them to enjoy a festival vibe in a very safe way.

All through September we are inviting you to host your own festival at home.

We'll provide everything you need to create your own Family Fun Festival. When you sign up you will receive your digital pack which includes bunting, a link to a festival music playlist, drink recipes, quizzes and activities for all the family!

It would have been the time of year when we would have been inviting you to attend our Family Fun Festival in Southend however if you can't go to the Festival then let us bring the festival to you!

It's £5 per household to sign up, so get together with your friends and family to have some summer fun.....

Just remember those Social Distancing guidelines.

The last few months have been a very difficult time for everyone, our Care Teams are still 'Making every day count' for our patients and their families. We must therefore do all we can to keep raising money to continue our specialist palliative and supportive care.

We do hope you will sign up and join in the fun. To sign up or find out more [click here](#).

Thank you

From everyone at Havens Hospices

PS. We would love for you to share this with your friends, family and colleagues and get as many people involved in having a bit of fun and help raise much needed funds for the charity.
