

Autumn Term 2026

We are excited to share the key events planned for Reception during the autumn term. Below, you will find the dates, event details and a brief description of each activity.

We will be setting up payment options on Arbor, where contributions can be made towards some of our key whole-school enrichment events. **Further information regarding payment contributions will be shared shortly.**

We hope that providing this information at the beginning of the term will help parents and carers plan ahead. We understand that it is not always possible to attend every event, so please feel free to arrange for a suitable alternative adult, such as a grandparent or trusted family friend to attend in your place.

Further details about individual events and workshops will be sent closer to the time.

Thank you for your continued support. We look forward to sharing these exciting experiences with our Reception children and families.
