### Year 1 Maths Workshop

Dear Parents/Carers,

This year we will be holding a Maths Workshop for Year 1 on **Wednesday 15<sup>th</sup> November 2023**. This is a time when we celebrate all of our Maths learning and invite children to take part in various problem-solving activities, link Maths to the outside world and encourage the use of a range of Mathematical resources and equipment.

We are inviting **one** parent/carer to join their child for the Workshop **in the main Infant Hall**.

The session will start with a short presentation on how we teach Maths at Hamstel, followed by the children joining you for around 25 minutes to engage in various Maths-based activities. At the end of the session, the children will have the opportunity to take home resources to support you and them with their Home Learning.

Here are the dates and times:

9.00-9.45am		2.15-3.00pm	
Duck Class	Dragonfly Class	Newt Class	Heron Class

**Please enter the school via the Poynings Avenue entrance and make your way to the Infant Hall.**

We are also offering an opportunity for your child to **win a Maths gift box!** For a chance to win, children will need to bring in 50p to add their name to a pot. The winner will be revealed by Friday 17<sup>th</sup> November 2023 and the prize will be taken to the winner's classroom!

We hope you are able to support your child and come along.

Yours sincerely,

Miss Goodman  
Maths Lead
