Plan B

Contingency Plan for Returning in September 2020 - if full Opening of School is not viable.

You will be notified if we would need to phase our return to school if there were any changes to the current Government Guidance preventing us opening for all children in September. We are only giving you this information in advance so hopefully you would be able to plan ahead for any contingencies you might need to put in place. Reception and Nursery children will be allocated Amber and Blue Groups and you will be informed of these.
