

Dear Parents/Carers,

1<sup>st</sup> December 2020

### Christmas Celebration

This year has been a challenging year for us all, however, we would like to share some good news for the festive season.

As we will be unable to hold Christmas productions in the usual way, children will be meeting in their class groups in the library to film some tokens of Christmas to share with parents and carers. Each class will film their part which will then be edited along with the rest of the year group to bring you a wonderful Christmas creation!

We would really love for all the children to be involved in this event, however, if you do not want your child to be filmed, please contact the school office by 4pm on Thursday 3<sup>rd</sup> December 2020.

Parents who have previously advised us of their wish not to have their child appear in any media or publication, will receive a separate form on Parentmail asking them to confirm if they would like them to be included in this special celebration.

We look forward to sharing your child's Year Group short film with you at the end of term. Further information, including acceptable use i.e. undertaking to not share the link or video with any other parties or sharing to any social media sites, will follow.

Kind regards,

Hamstel Infant School and Nursery
